Memorial Day – On this day we remember those who have given their lives to defend the truths that our great nation holds to be self-evident. They died in fields of war for you and for me – so that could gather in freedom and in peace. Let us be grateful for their unselfish service to protect the freedoms we enjoy today!

Special Note for the Summer. All buildings will have technology infrastructure upgrades this summer. Thus you may find an office area closed on a given day. The Superintendent’s Office on the east side of St. Angela is open daily 8:00 – 3:00. Stop in or call 792-3313 for assistance.

1. Thank You
I want to begin by saying “thank you” to all the employees, parents, students and benefactors who made the 2013-2014 school year most rewarding and successful.

2. Long Range Planning
Many people have been asked to donate time, talent, and treasure during these past two years of intense planning at the school. With respect to the “treasure” aspect, I realize that extreme sacrifices must be made. It is challenging to ask for your “treasure” through Friends of Kuemper Ball, an increase in tuition, the rolling out of the new technology initiative in grades 6-12, and the “Kuemper Tomorrow” campaign. Two things are most understandable: you will do what you can; there are times when you must ask for assistance from the school. Kuemper is here for you. The “Kuemper Tomorrow” campaign has generated over $4 million in pledges. New computers have been purchased to support the technology initiative. Tuition assistance funds are increasing. We are here to respond to your needs. Call me if you need to talk about the Long Range Planning or “Kuemper Tomorrow”. Vern Henkenius, 792-3313.
