**From the Pastor's Desk: Update on Ministry 2025:**

People have been asking how the Ministry 2025 meetings have been going and "what's the news." Unfortunately, there is not a lot I can report quite yet. We have been in dialogue with the diocese and Bishop Nickless about the proposed structure for the parishes of the county. The Diocese has responded to our initial plan, and now we have submitted a revised plan back to the diocese. We are currently awaiting a response to our updated proposal. I anticipate that we will hear something back in the next few weeks. As always, please continue to keep this process in your prayers. Fr. Kevin Richter
