From Father Shinjo: It has been great interacting with and knowing each one of you and experiencing your love and kindness. Thank you all for your prayers, love, care, helps, support, patience, and friendship over the past year to me. You are a very, very special community of people and I will definitely miss you so badly. Nd thanks to all the Parish Directors, volunteers and everyone of you who taught me one or the other things during my stay here.

My wish and prayer for everyone here is that you all continue to experience the abundant blessing of almighty God. May He grant you success and fulfillment in all you do. And may you experience joy, peace, good health, happiness and everything else that you need in your life. Please continue to keep me also in your valuable prayers. God bless you all!
