Note: We ask all ladies to save their lists until September 2012, when new lists are distributed, in case of a funeral!

The Chairman and the Co-Chairman of the various months are asked to collect the Annual Dues of \$20.00 from those listed on your month, plus the single parishioners on your month.

If any name is listed twice we would appreciate it if you would bring it to the President’s attention and you will probably appreciate it too. Also if any lady does not find her name on the list, the omission is unintentional and if you will tell us about it, we will make the necessary correction!

Cakes for funeral luncheons can be dropped off at the school. Enter through the north door and place cake on the counter or refrigerator and sign your name. The north door will be open at 6:00 am the morning of the funeral.
